

Yeates Volunteer Service Award

What is it?

Since inception, volunteering has been the lifeline of the Temiskaming Nordic Ski Club (TNSC). The Yeates Volunteer Service Award recognizes individuals for years of commitment and dedicated service to the TNSC. The award was created to honour and pay tribute to one of our great volunteers, Shirley Yeates. She is a prime example of great volunteerism. Her tireless hours, energetic leadership and dedication have contributed immensely to the growth and success of our club.

The Yeates Volunteer Service Award will be a way for the TNSC to pay tribute to its volunteers and to acknowledge and thank those exceptional volunteers whose generous efforts ensure the growth and success of the TNSC.
