

Happy New Year TNSC Members!! Wishing you all the very best for 2021.

Trails were groomed Thursday morning.. For trail updates visit our website <https://www.temiskamingnordic.ca/> or follow us on twitter: <https://twitter.com/TrailsTemNordic?s=20>

Kilometre Challenge

A chart for counting kilometres skied has been posted on the eastern side of the chalet (close to the parking lot), where the Results/ Start Lists / Information for race events was posted in previous years.

This chart is similar to the one posted in the basement in recent years.

This year we'll be submitting the total numbers skied by Temiskaming Nordic members to Cross Country Ontario (CCO) as part of their province-wide Kilometre Challenge. The official time period for tracking kilometres is 1 January to 31 March. Keep in mind that CCO will be recognizing clubs on a "kilometre per member" basis, so the more club members we have taking part, the better.

There is space for 60 names on the chart. Last year we had 40 people write their names on the chart in the basement, so if we have 60 participants this year, that would be a 50% increase. If we fill up this chart, we'll make another one.

Taller skiers should use the rows along the top of the chart.

Let's have fun with it.

Anthony Story
Chalet Director

Instruction

A reminder that Classic and Skate ski lessons as well as waxing technique are available. If interested please contact Bill Gabbani at 705 679 2118 or by email at bill_gabb@hotmail.ca

Chalet

The Chalet remains closed at this time. An update will be provided in the coming weeks.

Membership Tags

A gentle reminder to print and wear the membership tag provided by Zone 4.

See you on the trails,

Francine Bolduc
Public Relations Director
