Let it snow, let it snow, let it snow!

Winter is upon us and hopefully here to stay. Trail grooming has already begun and skiers can enjoy some classic skiing on a few kilometres of trail. Use caution and be aware that some debris may still be poking up through.

Memberships can be purchased online at www.temiskamingnordic.ca with Early Bird pricing available until the end of November. Membership tags will be available for pick up at the chalet. New members will be entitled to a free group lesson and one free equipment rental. For more information please contact the TNSC.

As always, volunteers are needed to help out. In particular, we are in need of chalet monitors to help open and close the chalet. Those interested in helping out can message us via facebook or send an email to our Club President, Russell Walker at haileybury.walkers@hotmail.com. The search has also begun to replace our long time Director of Memberships, Joanne Beeson, who will be stepping down after this season. This position comes with great power and honour. If you are interested in helping out please reach out to a Board member.

Stay warm and see you out on the trails!
